

DIRECTORY USE POLICY

OFFICIAL DOCUMENT

Greetings to you and your family!

It brings great joy to Trinity Bible Church when our body of believers are in regular fellowship with one another.

To facilitate this fellowship, communication and mutual service, we have provided the Trinity Bible Church directory in both printed and online forms for use within the Trinity Bible Church body. It is our hope that the church directory provided by Trinity Bible Church facilitates communication in addition to the interaction taking place during weekly church programs and services.

It is our policy that this information not be used for commercial solicitation purposes in any form: phone calls, mailings, or emails. Thank you for respecting your fellow brothers and sisters in Christ by adhering to this policy.

Also, if you do not have a directory, you can visit our website: www.trinitybiblechurch.org to view our online version or contact the church office for a printed copy. If you are not currently listed in the directory and would like to be added, please request and complete a directory information form and return to Trinity Bible Church office administrator, Sonia Wykoff, who can be reached at sonia@trinitybiblechruch.org or 408.782.1619.

Registration for access to the Trinity Bible Church web site resources that require a login can be requested at our website, or by contacting the church office.

Blessings to you,
The Elders of Trinity Bible Church
